SVJATOSLAV SOLOVJEV

My name is Svjatoslav Solovjev and I've been involved in sports gymnastics since 2003.

I represented the Czech Republic at the World Championships and the European Championships and I am also multiple times champion of the Czech Republic.

In 2020, I decided to create my own products under my brand, which are unique on the market and of high quality.

ONLYSOLLO

Hand-made production

We support the Czech economy.

We try to support the local market as much as possible, so all of the production takes place in Czech Republic.

Even the material is proud of its Czech origin, because we work exclusively with suppliers from the Czech Republic.

Our skilled carpenter near Prague takes care of wooden products.

We sew our mats in Prague.
We strive for first-class quality, functionality and sustainability.

PRODUCTION:

- Production of custom-made mats
- We produce different sizes, colors and stiffness.
- Different types – folding mats and velcro
- Production of balance boards
- Production of stills for both gymnasts and circus performers
- Production of gymnastic and multi-purpose rings for climbers
- Production of sports accessories – headbands, T-shirts, socks

TAPES

Why tapes?

Mainly for the sake of getting the necessary strengthening and fixation
It serves mainly as a prevention against injury
Tested and recommended by Czech athletes

Weight: 0.5 kg

We mainly tape the wrists for strengthening, palms when we have callus and ankles for injury prevention.

Most common use in: basketball, football, running, gymnastics, judo, circuit training, training with your own weights and in the gym.

The only product we make in China.

Material: Beech
The tool offers different exercise options in different difficulty levels
Ideal for rehabilitation, physiotherapy, sports and home training - Every part is moving to the right and left.

STABILIZATION ANKLE EQUIPMENT (ANKLE STABILIZATION TRAINER)

A healthy spine and posture starts with the feet and ankles.

Exercise will help to perceive the three-point support of the foot
will improve the condition of the lower back, lumbar spine and overall posture.

WOODEN STANDS ONE-HANDED

Wooden stands - one-handed
We can use ONLYSOLLO for
push-ups, press to handstand,
weights and
other exercises.

The sides are made
from the Birch multiplex
and the handle is made
of beech massif.

Weight: 0.5 kg
Material: wood
Dimensions: 25 x 14 x 13 cm

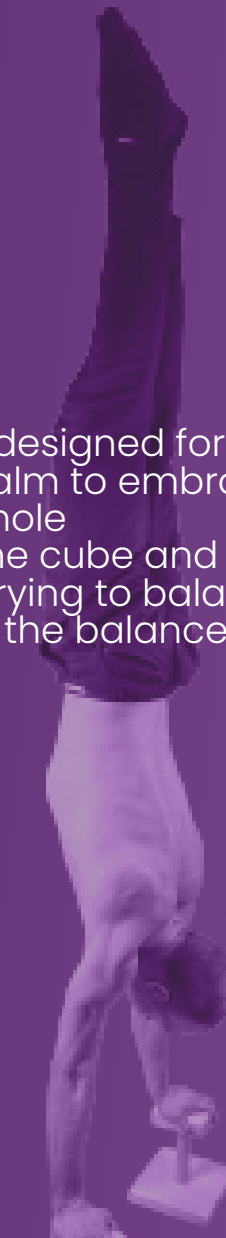

We can use the stands to do lunges
and handstands all even on vacation
because they are storable and weigh
only 0.5 kg.

They are ideal for at home or outside.

The cube is designed for
the whole palm to embrace
(hug) the whole
surface of the cube and the
fingers are trying to balance
and to keep the balance.

LONG WOODEN BALANCE STANDS 90cm, 120cm

Long wooden balance stands ONLYSOLLO can be used for training stand-ups, push-ups or light strengthening.

The stands are made of high-quality beech wood, painted with a special varnish for greater resistance to wear and sweat. It offers great hardness, durability and also a weight that will guarantee that the constants will be stable and strong.

PROFESIONÁLNÍ STÁLKY NA CVIČENÍ

These wooden stands are an absolutely great tool for training stand-ups, lunges, push-ups in a standing position, and various variations of push-ups.

Beech solid wood – belongs to one of the most sought-after materials for the production of first-class permanents.

It offers great hardness, durability and also a weight that has higher that they will be stable and strong.

Ash – Glued ash is used for the strength and flexibility of large professional bars.

Lacquer – This gives better wear resistance and reduces the “smudge” from a sweaty human hand.

The base is still made of beech and the poles are made of ash. The stands are also painted with a special varnish.

The biggest benefits!

- Czech product – quality material
- very stable
- tested and recommended by Czech representatives

Rozměry: 110 x 82 x 35 cm
Materiál: dřevo
Hmotnost: 16 kg

Dimensions: 100 x 32 x 1 cm
Weight: 2.5 kg
Warranty: 2 years

BIG WAVE BALANCE BOARD
